2018 Illinois Withholding Tax

The State of Illinois withholding tables were revised to reflect a recalculated personal exemption. For 2018, the personal exemption increased from \$2,000 to **\$2,225**.

Costpoint will be using the recalculated personal exemption amount for Illinois payroll. In order to accomplish this, this Costpoint release updates the records effective January 1, 2018 for Illinois in Manage State Tax Withholding Adjustments screen.
