Issues Resolved:

Description: Since the **Transaction Currency** column (LV_TYPE.trn_crncy_cd) is now required, the functionality of the application should be updated. A foreign key should be added to the **Currency** column (CURRENCY.s_crncy_cd). The application also needed a patch to correct data when the **Transaction Currency** column (LV_TYPE.trn_crncy_cd) has a NULL value.

Customers Impacted: This defect affects Costpoint Leave users.
