**MATERIALS/PROCUREMENT PLANNING/PPMRQAPL/Approve Purchase Requisition Lines**

Deltek Defect Tracking Number:

1025862

Issues Resolved:

**Description:** When you changed and saved a purchase order (PO), you received a warning that the order and due date was not within the period of performance. However, you were unable to see the start and end date of the period of performance.

**Customers Impacted:** This defect affects approvers in Costpoint.

**Workaround Before Fix:** None.

**Additional Notes:** New fields for the start and end date of the period of performance have been added.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
