

Deltek Vision Cumulative Update Notes

Released: *October 17, 2014*

Release Name: Cumulative Update #029

Software Issues Resolved

Info Center

Projects

Deltek Defect Tracking Number: 447475

Description: If you had a project with phases, and you added another phase using **New » Copy Current Phase**, the amounts on the Budget & Revenue tab of the original phase would be copied to the new phase. This would cause the compensation, consultant fee, and reimbursable allowance totals for phases to be out of sync with the same totals for the project as a whole.

Customers Impacted: This defect applies to Vision 7.0 SP1 and later versions.

Workaround Before Fix: None.

Additional Notes: None.

Files Updated

Deltek.Vision.ProjectInfoCenter.Server.dll

Other Applications Affected

System File Dependencies

More information about this release is on the following page.

Custom Programs Affected:

Sometimes an update can cause custom programs and reports to stop working as expected. Before applying this update, consider whether you have any custom programs or reports in the application area affected by the update. If so, contact Deltek Customer Care at <http://support.deltek.com> before you install the update.

To Download the Cumulative Update:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Cumulative Updates folder for your product, and select the update to download.
6. Click **Download** at the bottom of the screen.

To Install the Cumulative Update:

Run the executable (.exe) file only on your application server, unless additional tiers are specifically noted in the defect descriptions above.

To Check to See if the Cumulative Update is Installed:

1. Click **Help > About** from the Vision toolbar.
2. Click the **Details** button on the **About Deltek Vision** dialog box.

More Information:

If you have any questions, please contact Deltek Customer Care at <https://support.deltek.com>.
