

## Active Directory User Sync 4.6.101.0 Release Notes

Release Date: December 17, 2025

Welcome to the **Active Directory User Sync 4.6.101.0 Release Notes**, which describe the new features, enhancements, and fixes introduced in this release.

### **New**

- ProPricer now supports Azure Active Directory (Azure AD) integration. This new feature allows users to connect and load users and groups from Azure AD, importing them with the same structure and logic as the existing Windows AD integration. The synchronization tool ensures that Azure AD users and groups are accurately mapped to ProPricer users and roles, streamlining user management and access control.

### **Enhancements**

- Compatibility with ProPricer version 9.6.101.0 has been added.
