

Deployment Date: 3/6/2015

Hot Fix: cp711_rcmporc_003.zip

MATERIALS/RECEIVING/RCMPORC/Receive Purchase Order

[Deltek Defect Tracking Number:](#)

465788

[Issues Resolved:](#)

Description: The **Received Qty** field reverted back to zero (0) after you entered a value that is greater than zero then tabbed out of the field. Costpoint then displayed the following error message, which prevented you from saving your changes to the purchase order: "The following cannot be changed: Received Qty (PO U/M)."

Customers Impacted: This affects Receiving module users in Costpoint 7.1.1.

Workaround Before Fix: Reenter the **Received Qty** amount, then Save.

Additional Notes: None.

MATERIALS/RECEIVING/RCMPORC/Receive Purchase Order

[Deltek Defect Tracking Number:](#)

470438

[Issues Resolved:](#)

Description: Costpoint displayed the following error message when you tried to create new receipts that were tied to fixed assets Accounts: "ORA-01400: cannot insert NULL into ("DELTEK"."FA_AUTOOCR_RECPT"."FA_AUTOOCR_FL")."

Customers Impacted: This affects Receiving module users in Costpoint 7.0.1.

Workaround Before Fix: Before you save the receipt, go to the Fixed Asset subtask and populate the necessary fields. Then, click **Save**.

Additional Notes: None.

MATERIALS/RECEIVING/RCMPORC/Receive Purchase Order

[Deltek Defect Tracking Number:](#)

472181

[Issues Resolved:](#)

Description: Costpoint displayed the following error when you tried to Save or move into the next receipt line: "Quantity received is over the over-receipt tolerance for this line." This occurred if the **Automatic Rejection of Over-Received Quantity** check box was selected on the Configure Receiving Settings screen and if the receipt quantity contained decimal values.

Customers Impacted: This affects Receiving module users in Costpoint 7.1.1

Workaround Before Fix: None.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
